ABOUT ISNT

ISNT is a non-profit, professional body of technologists, engineers, scientists, academicians and researchers in India, who are engaged in the field of non-destructive testing. Since its inception in year 1972, it has matured and established itself at the international level having stature and recognition. Presently, ISNT has more than 5000 members spreading over 19 chapters in India with headquarters at Chennai.

The objective of ISNT is to promote the awareness of NDT science and technology through education, research and exchange of technical information within the country and internationally to its members and other professionals.

ABOUT NDT EXPO 2026

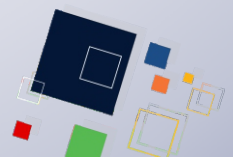

NDT Expo 2026 will be held on March 01-02, 2026, at "The Capitol - The Forum Celebrations & Conventions, Club 07", Forum Street, Shela, Ahmedabad, Gujarat-one of the best convention centres in Ahmedabad city and surrounding areas. This event will serve as a major platform for industry professionals, researchers, academicians, and NDT instrument manufacturers to come together, interact, exchange information, and discuss innovations and new developments in the ever-important field of Non-Destructive Testing (NDT).

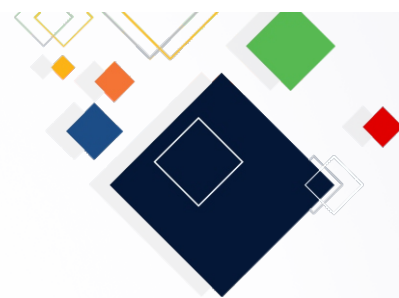

The theme of NDT Expo 2026 is "NDT in Service of Viksit Bharat." Through this theme, we aim to highlight the multi-faceted roles played by various NDT methods and their myriad techniques across different fields of engineering and technology, contributing to the building of Viksit Bharat.

PARTICIPATION IN NDT EXPO 2026

All professionals working in NDT, NDT equipment manufacturer and suppliers, industries who utilise NDT services, students and researchers working in the field of NDT can participate. ALL THE TECHNICAL SESSIONS AND EXHIBITIONS ARE OPEN TO ALL FREE. Water, Tea/Coffee arrangement will be there.

The Delegate registration will entitle the participant to 2 High Teas and Lunch. The Dinner is by special invitation only.

DELEGATE REGISTRATION AND ITS FEES

Delegates will have full access to the event, including the opportunity to present papers during technical sessions. All registered delegates will receive a Certificate of Attendance (for up to 16 hours of technical lectures), which can be used as supporting documentation for the renewal of NDT Level III certificates. Additionally, delegates will be entitled to receive a conference kit, breakfast, lunch & high tea.
